HEALING MINISTRY

During Jesus' ministry "he cured many who were sick with various diseases, and he drove out many demons." This is the case in today's Gospel. Jesus fulfills the vision of Psalm 147: "He heals the brokenhearted and binds up their wounds."

Jesus knew, however, that he couldn't possibly heal all the illness in the world. No matter how many people he cured or how many hours he ministered, there always would be more suffering people like Job who craved his healing touch. His primary mission was not to rid the world of all suffering. His "purpose" was to preach the coming of the reign of God that heals, yes, but ultimately transcends and transforms earthly suffering. With Paul, Jesus could have said, "Woe to me if I do not preach" that good news.
